SHAPE THE FUTURE OF VICTORIAN SCREEN

The Victorian Government is developing its 2021-25 Victorian Screen Industry Strategy to guide future investment in Victoria's screen industry and you are invited to contribute to its formation by filling out [this survey](#).

The Victorian Government has long been a strong supporter of the Screen Industry generally - and [MIFF Industry](#) specifically.

Seeking input and ideas from practitioners, this survey is your chance to underscore the importance of Government support for the screen sector and, in questions 5, 7 and 8, you may consider calling for the continuation of the MIFF Premiere Fund, 37°South Market and Accelerator Lab.

Be sure to have your say before the survey closes at midnight on 18 November.
